LOCAL CPA AWARDED DAVE RAMSEY ENDORSED LOCAL PROVIDER FOR
GREATER ALLENTOWN AREA

Michael J. Stoudt, CPA, of Stoudt Associates LLC in Allentown, Pa., has served Bucks and Montgomery counties as a Dave Ramsey Endorsed Local Provider (ELP) and has recently been awarded the greater Allentown area as well.

Serving the region since 2004, Stoudt Associates provides CFO-for-hire services as well as accounting, bookkeeping, and tax services for small and family-owned businesses. Stoudt Associates also provides tax preparation and planning services to individuals.

Stoudt Associates is the only Dave Ramsey ELP for tax services in the Lehigh Valley. With systems designed to work remotely and securely, Stoudt Associates is accepting new personal and business tax clients locally, nationally, and across the world.

The ELP program is a nationwide service that helps consumers find trustworthy local providers and business partners across multiple industries, including: real estate, insurance, and tax services. The ELP program is part of the larger Dave Ramsey brand, which comprises services, books, and guidelines on investments, retirement, and financial planning.

Participants in the program must pass a sequence of checkpoints that qualify them for endorsement by Dave Ramsey, called the Ramsey Solutions Experience. These checkpoints include completion of a seven-step learning program called the Financial Peace University which details Ramsey's methods for managing financial assets, building wealth and investing wisely.
